

I Dit Korte Liv

Undskyld	jeg	spørger
Excuse me	I	ask

Excuse me, I ask

Kender	du	vejen	til	evighed
Do you know	you	the way	to	eternity

Do you know the way to eternity?

Har	du	nogensinde	tænkt	over	livets	skæbne
Do you have	you	ever	thought	about	life's	fate

Have you ever thought about life's fate?

Mærket	dens	tvivl	og	savn	og	eviges	glæde
Felt	its	doubt	and	longing	and	eternity's	joy

Felt its doubt and longing and eternity's joy

I	dit	korte	liv	må	du	stå	alene
In	your	short	life	you must	you	stand	alone

In your short life, you must stand alone

Hverken	moders	kærlighed	eller	venners	tone
Neither	mother's	love	nor	friends'	tone

Neither a mother's love nor a friend's tone

Kun	gud	kan	din	sjæl	forstå
Only	God	can	your	soul	understand

Only God can understand your soul

Men	hvis	du	vil	prøve	at	lytte
But	if	you	want to	try	to	listen

But if you want to try to listen

Gennem	dig	selv	til	de	stjerner	der	lyse
Through	yourself	self	to	the	stars	that	shine

Through yourself to the stars that shine

Vil	du	mærke	hvor	frydefuldt	det	er	at	leve
Will	you	feel	where	joyful	it	is	to	live

You will feel how joyful it is to live
